

PrayerMates say . . .

"PrayerMates lets you see into another person's spirit. It helps you to understand that we all share basic needs and concerns." ~ Martie

"Mentally and emotionally, I am stronger because my PrayerMate is with me, through prayer, from rising until I fall asleep." ~ Jim

"During my darkest hours, your prayers are like warm rays from the sun into a cold and dark place . . . I receive encouraging strength, knowing that someone is praying for me." ~ Samuel

"A large number of prisoners feel like worthless failures whose lives are largely over. They have difficulty loving themselves or believing that others could love and care for them despite what they did . . . A loving, caring PrayerMate can help them to realize that their lives are important and matter." ~ Frank

"I thank God for you and for your prayers for me . . . and I want you to know I'll be right here praying for you for as long as God keeps me." ~ Timothy

"Just a few moments of prayer can make a world of difference."
~ Marie

WHAT IS PRAYERMATES?

PrayerMates pairs incarcerated men and women one-to-one with individuals in the community on a confidential, first-name-only basis to pray daily for one another's needs and concerns.

There are many ways to show your care & concern for others. Prayer is one of these ways. No matter who you are, what religion you practice, whether your problem is big or small, praying with love each day for another will change your heart.

The greatest power that each of us has is the power of prayer. Each day, with hearts in silence and prayer for one another, inmates and community members can connect spiritually in a most meaningful way.

ABOUT CENTREPEACE: *CentrePeace promotes a restorative justice system by modeling programs within our communities and correctional facilities that are based on healing brokenness rather than on vengeance, on peace rather than on fear and offering avenues for accountability rather than alienation.*

ACCEPTANCE

Your acceptance into PrayerMates means that you are making a sincere commitment to be in prayer daily on behalf of your PrayerMate. We ENCOURAGE frequent letters between partners as a reminder that each is in prayer for the other and to share responses to previous prayer requests

All communication between PrayerMates is channeled through CentrePeace. Each PrayerMate agrees to inform CentrePeace if he/she is unable to continue. Because PrayerMates honors and protects each program participant's anonymity, the use of last names, inmate ID numbers, addresses, photographs and non-prayer requests between PrayerMates is expressly prohibited.

NOW WHAT?

Once an inmate or community volunteer returns a completed and signed acceptance form to CentrePeace, s/he is either immediately matched with a PrayerMate or is placed on a waiting list until a suitable match can be found. For inmates, a waiting list that can be months long is not unusual. So please be patient. Once matched, each prayer partner's request is first screened then forwarded privately to his/her prayer partner. All correspondence is held in strictest confidence.

Registration/Acceptance

I promise to pray daily for my prayer partner. I understand that ALL communication with my PrayerMate will be channeled through CentrePeace. I promise to contact CentrePeace if, for any reason, I am unable to continue.
